

Dear Parents,

We are looking forward to a wonderful Field Trip to the Relleke Farm on Monday, October 23rd! In case of inclement weather, the trip will be rescheduled to Monday, October 30th. This decision will be made Monday morning and you will be notified of any change of date by electronic email at that time. If you don't hear from the school, you may assume we will follow the original schedule.

Please have your child wear long pants as several activities that will be available for them to enjoy include hay rides, going through mazes, and feeding the animals. This is not a uniform day so jeans are permitted.

Do not send money with your child for additional purchases.

REMINDER: For insurance and safety purposes, all students must ride the bus to and from the Field Trip. No students will be allowed to arrive or depart the activity in a private vehicle.

No siblings or other children may attend. The Relleke Farm is closed to the public on the day of our Field Trip. Our insurance dictates many of these regulations.

Please refer to your previous email or hard copy communication for additional information.

Thank you for your cooperation. Our children are our most precious gifts. Their safety and well-being are our primary concern. The children are excited and so is the faculty!

God Bless you and your families,
Margaret Pennell, Principal
