

Shoparoo

Did you know the fall pumpkin farm field trip is paid for by Shoparoo Dollars? **Shoparoo** is an **easy, free** way for our school to **earn money**.
Are you snapping receipts?

CONTEST:

With Shoparoo, all you have to do is snap photos of your receipts. Receipts are then assigned points, and the points accumulate into cash for our school! It costs you nothing to participate! Every class that increases their September points total by 10% in October will win a non-uniform day in November. September points will be posted on the PSA page on October 1, so that you can see your new class goal. October class winners will be posted November 1.

If you are currently snapping receipts, then just keep snapping away. If you are not currently on shoparoo please follow these instructions and start earning money for our school.

1. Go to your app store and download Shoparoo Fundraising app for free!
2. Create a login.
3. Find school - Holy Family Granite City, then confirm school.
4. Enter your name as it will appear on app.
5. You are ready to snap.
6. If you can get a code from someone already on shoparoo (talk with other parents) then you both earn more points.
7. Keep the competition friendly!
