

Dear Parents and Guardians,

We received the notification below from the parish office today. As we approach the beautiful sharing seasons of Thanksgiving and Christmas, I am so grateful that we belong to a parish and school family willing to lovingly share with one another. We are all blessed by God with a variety of talents and abilities. By sharing these gifts we become more committed to living the life Christ taught through His words and actions. Following in His footsteps becomes a walk of joy! We all have something to give, especially our prayers.

My love to you and your families,

Margaret Pennell, Principal
