

Fundraiser Pickup Wednesday

All fundraiser items must be picked up this Wednesday, Sept. 26, from 5:00 to 7:00 p.m. in the gym. No early school candy pickups will be available with the exception of afternoon sorters.

When entering the gym, first check the gym floor for your child's class and look for both boxed items and candy bar bags with your child's name. Boxes will be in alphabetical order.

Labels on the boxes will give you a total count of the boxes to expect (excluding candy bar bags). That number will include cold cookie dough or dessert items that might be on the gym stage. Next, approach the stage table where volunteers will get these cold items for you.

Be sure to inventory your boxes. Student Council volunteers will be on hand to assist with that process and to take boxes to your car.

If boxed items are missing, call the Great American Customer Care Team at 1-800-251-1542 or reach the company at greatamerican@gafundraising.com. Replacement items are generally mailed to the school and given to your child.

If you are missing candy bars, notify a volunteer at the exit sign-out table near the gym doors. Do not leave the gym before signing out.

Customers who have ordered magazines will be notified by either email or U.S. mail. These items will not be in your box and may take longer to arrive to your customer.

For those who have ordered candy-coated popcorn, Great American notes that these flavors are sometimes affected by the weather and humidity. If a customer is not satisfied, you may call the listed number of Customer Care.

All money must be submitted to the office by 8:00 a.m. Wednesday, Oct. 17. Please try to pay for each child with one separate check.

Those qualifying for the Hummer Limo ride will be notified early next month. The ride to Edison's Entertainment for lunch and games is tentatively scheduled for Tuesday, Nov. 6.

The school has no refrigerated space for those who do not collect their frozen items on Wednesday and is not responsible for spoiled items. There will be a \$15 charge for items picked up after 7:00 p.m. on Wednesday.

Thank you for all your efforts with this drive to support Holy Family School.
