

Dear Parents,

The Holy Family School P.S.A. has again graciously offered to organize and facilitate the HFS Field Day to be held on Thursday, Sept. 12. Plans are to ensure children have a fun, safe, and memorable experience!

The PSA needs many volunteers this year for this day to be successful. Please join the group of volunteers and respond promptly when you are contacted by the PSA. All volunteers must have taken the "Protecting God's Children" class. Reminder: Volunteer hours for Field Day are not counted as parish/school service hours.

Volunteers are assigned specific jobs for that day. Volunteers will not be walking from event to event with their own children. Of course, parents are welcome to attend the day's festivities, but unless you are willing to accept the responsibility assigned to you by the PSA, please do not sign-up as a "volunteer." Obviously, we will have to cancel if parent interest and availability to work Field Day this year is not forthcoming.

WE NEED YOUR ASSISTANCE! All children will receive a participation award. This day is very special to our children. It is a tradition started by our own Judy Bucatch when she was the 8th grade PE teacher at Sacred Heart School before the joining together with St. Margaret Mary Parish. Let's do all we can again this year to continue to carry on this wonderful day for our children!

My love to you and your families,

Margaret Pennell, Principal

PLEASE RETURN TO SCHOOL BY TUESDAY, SEPT. 3

I will serve as a volunteer for Field Day on Thursday, Sept. 12, 2019. I have taken Protecting God's Children and have a clear background check.
