

Trunk or Treat

Trunk or Treating is a Halloween event where people gather and park their cars in a large parking lot. People open their trunks or the back of their vehicles, and decorate them. Then they pass out candy from their trunks. The event provides a safe family environment for trick or treaters.

What better way to kick off Halloween than with our 8th Trunk or Treating Event!

Each year has been bigger and better than the last.
Let's keep this fun tradition alive!

Trunk or Treat- Cars can begin arriving at 5:00 pm in order to find your parking spot, set up your trunk, and be ready for the trunk or treaters at 5:30. You will be responsible for decorating your car (if you choose) and providing candy to pass out. In the past, some vehicles have also had games, activities, or experiments for the treaters to participate in. The children always have a wonderful time!

If you do participate with a trunk, please keep your car parked until the event is over and the children have cleared the parking lot.

I volunteer to have a trunk in the Trunk or Treat Event.
