

Santa's Cottage Volunteer Sign Up

If you wish to volunteer for Santa's Cottage/Workshop this year, please fill out the slot(s) below. Include your name (print) and phone number in the time slot you are able to work. We appreciate your assistance. This is intended as a fun activity for your child and not a fundraising activity.

These hours do count toward your service hours. All volunteers must have taken Protecting God's Children and have a current background check.
