

JOCO Mum Fundraiser

What is it?

This year we are doing an online harvest mum sale for the fall. We are using the company JOCO, which is a high quality, greenhouse based fundraising program. It is your opportunity to skip the big box stores and support your school! For every item you sell, your school will get 26% of the profit. For example, if you sell a \$25 mum, Holy Family will get \$6.50. This is a great opportunity for us to raise money quickly!
