

Mum Delivery Day

Holy Family Church Parking lot

Tuesday, October 6th

11:30-2:00

3:00 pm- 6:00 pm

Our mum fundraiser was so successful we needed two pick up times. Great job everyone! Sellers are responsible for picking up their own mums. It is up to the seller if they want to deliver the mums or have a meeting spot for their customers. **Please do not send customers** to pick up in the church parking lot. This will block the flow of seller pick up. You will be directed to follow the arrows in the parking lot. A volunteer will come to your car and ask your student's name and teacher. Once they retrieve the pull slip for your student, they will begin gathering your order and loading your vehicle. You will also receive an order slip with customer details.

If you are someone who sold a large amount of mums (40 or more), please text or email me an approximate time the day of your arrival so that we can start preparing your order. We may also direct you to park in another area. You may also text or email the day of delivery if you are in need assistance getting your mums home. 618-407-0230 or meghanjhuff@gmail.com
