

October 2, 2020

Dear Parents,

At this time Holy Family School will not be quarantining students for 14 days after their return from traveling out of town. Parents are discouraged from taking vacations during periods of time when school is in session as stated in the Parent/Student Handbook. Doing so creates disruption for the class and creates health concerns for others during the pandemic. We ask that you continue to closely monitor the health of all members of your household. Please notify the office if you are planning to go out of town. When students return, we will monitor them at school.

Please know that we are doing all we can to keep your families safe. I am proud of the wonderful job you are doing in monitoring symptoms and keeping children at home if they exhibit signs of illness.

My love to you and your families,

Margaret Pennell, Principal
