

October 9, 2020

Dear Families and Staff,

The 6th grade students and I are working on a special presentation to commemorate Veteran's Day on November 11. We would love to include many pictures of our families' veterans for a slideshow that will be shared with students on that day. If you are interested in having your family's veteran(s) included in the slideshow you may send a scanned picture to Mrs. Bell's email, shelly.bell@holyfamilyhawks.net or place a photo in an envelope with the student's name so that it may be returned. The following information should be included: Name, title, and rank of the veteran, branch of military, and how they are related to the student (or staff). *For example: John Smith, Private First Class, Army Veteran - uncle of Mary Jones.* Please send/email photos by Tuesday, October 27. We look forward to seeing all of our school families' veterans!

Thank you,

Mrs. Bell and the 6th Grade Class
