

FROM THE PRINCIPAL PEN

When Holy Family School began assisting with the Billie's Kids Christmas Project several years ago, each classroom collected money in a Christmas stocking, the stockings were brought to the school office, and the contributions were totaled. A check was presented to the committee to purchase items to be given to needy children at the annual Billie's Kids Christmas party. Students were encouraged to do extra chores at home and contribute their earnings to the Christmas stocking. Classroom teachers began class fundraisers to add to the coffers. Candy cane sales, Tootsie Roll sales, classroom competitions and many other activities flourished.

This year we were asked to collect new hats and gloves for our school donation. The goal we were given was to collect 500 items. To date, with four days to go, we have collected more than 700 items! Thank you to our school and parish families who helped to give children in our community warm heads and warm hands during the cold winter months ahead.

God Bless You!

Margaret Pennell, Principal
