

The Regional Scout Annual Event, Scouting for Food, was cancelled this year due to the COVID-19 virus. Under the leadership of HFS's own Mrs. Cindy Meredith, assisted by Zachary Moe, Holy Family Cub Scout Pack 103 launched an all-school food drive for the benefit of the parish pantry. Cheryl and Rick Moe loaded and delivered the massive amount of food to the parish pantry for distribution. It took five adults more than 10 trips to empty the truck of the food donated by the school children for this worthy project.

I am a proud Principal who dearly loves our children! They are the very best!
